RULES AND REGULATIONS FOR USE OF SCHOOL FACILITIES

POLICY

School facilities are available to the community for education, civic, cultural, and other non-commercial uses consistent with the public interest when such uses do not interfere with the school program or school-sponsored activities. The use of school facilities for school purposes has precedence over all other uses. Persons on school premises must abide by the district's conduct rules at all times.

Use of school facilities by community groups is subject to the following rules and regulations:
